SOMERHILL MINIBUS CONDITIONS OF USE

Pick Up

Please ensure that you are at the designated pick-up spot in good time and that you stay with your child until the bus arrives. Should a pupil not arrive at their designated spot on time, the driver will endeavour to contact the parents directly to determine if arrival is imminent. If not, the driver has been instructed to leave to minimise disruption to the scheduled timetable.

Drop Off

For reasons of child safety, the driver is under strict instructions to only release your child to one or other of their parents at the bus stop unless we have been notified in advance/via email, that someone else such as a grandparent, nanny, au pair, elder sibling etc will collect them. If the person that we expect to collect your child is not at the bus stop, the driver will attempt to contact you via telephone. If they are unable to reach you then the driver has been instructed to return your child to school, where we will look after them until they are collected.

Absence/Change of Plans

The driver will expect to see your child every day unless advised otherwise. If your child is unwell and not attending school, please ensure you have advised the driver directly via the mobile number detailed below to confirm that pick up is not required.

If for any reason your child is scheduled to be on the evening service but won't be, kindly ensure that you have advised the driver via the mobile **and** the School Office Team via the main school number: 01732 352 124
